Melissa Conyears-Ervin

TREASURER

Chicago Treasurer's Office

Friends,

Welcome to the 2024 Building Wealth Today for Tomorrow Financial Empowerment Summit! On behalf of my entire office and our esteemed sponsors—US Bank, CIBC, Wells Fargo, Chase, Ariel Investments, TransUnion, Verizon, Self-Help Federal Credit Union, and ABOC—I am thrilled to have you join us for an incredible day of learning, connecting, and aspiring towards being the best we can be.

We have designed this event to be transformational—a one-stop experience for resources, advice, and strategies to help you immediately empower and elevate your financial well-being. Success is never built alone, and today, we come together to turn our dreams into action.

Whether you're looking to illuminate your tomorrow or the next generation's, we are proud to offer invaluable workshops and seminars on essential topics such as credit and money management, homeownership, small business development, retirement planning, and more. Be inspired by the stories and strategies of our keynote speakers, including Mathew Knowles, Keke Palmer, and Larenz Tate.

I invite you to network, explore, connect, and create the blueprint for your financial future. No matter where you are on your financial journey, there is something here for you. The wisdom within these walls today is worth its weight in gold. The resources we've gathered will inspire and empower you to reimagine your relationship with wealth and your potential to build it for your family, your business, your community—and your future.

Power up your small business.

Verizon Small Business Digital Ready provides personalized content, coaching, community and more to help move your business forward.

Running a small business has never been more complex. Verizon Small Business Digital Ready can help. It's a free program designed to give small businesses like yours more tools to succeed in today's digital world.

Verizon Small Business Digital Ready was developed in partnership with small business owners like you, who understand what it takes to succeed in the digital economy. The program is simple to use, with all the information available online in one place. After getting to know your business, we'll provide resources, networking and coaching tailored to your specific needs.

The program can help your business move forward in four ways:

Personalized learning

Start with the topics that are most important to your business right now. Content is presented by small business owners like you, and the brief, information-packed lessons will give you strategies you can use right away. As you complete the learning modules, you'll unlock new benefits, like coaching sessions on related topics.

Expert coaching

Get guidance from business experts across legal, marketing, business planning and more. They will help you to apply what you know and what you're learning to execute your plan of action.

Peer networking

Connect with other small businesses and build your network! Share industry information or connect on future business opportunities—it's up to you.

Incentives

By participating in the program, you'll benefit from a marketplace of tools, solutions, products and services that can help move your business forward. You'll also be eligible to apply for grant funding exclusive to users of Verizon Small Business Digital Ready.

Our communities need diverse and thriving businesses. That's why Verizon is committed to providing support for 1 million small businesses over the next decade—including yours.

Because at Verizon, we believe no small business should be left behind. This is Citizen Verizon, our plan to move the world forward for all.
